§ 618.8010 Related services authorization process.

(a) *Authorities.* System banks and associations may only offer related services that meet the criteria specified in this regulation and are authorized by the FCA.

(b) *New service proposals.* (1) A System bank or association that proposes or intends to offer a related service that the FCA has not previously authorized must submit to the FCA, in writing, a proposal that includes a description of the service, a statement of how it meets the regulatory definition of “related services” in § 618.8000(b), and the risk analysis cited in § 618.8020(b)(3). The FCA will evaluate the proposed service based on the information submitted, and may also consider whether there are extenuating circumstances or other compelling reasons that justify the proposed service or support a determination that the service is not authorized. This evaluation will focus primarily on Systemwide issues rather than on institution or program-specific factors.

The FCA shall approve the request, deny the request, or publish the service for public comment in the FEDERAL REGISTER. For good cause and prior to the expiration of the 60 days, the FCA may extend this period for an additional 60 days.

(5) Within the time period established in paragraph (b)(4) of this section, the FCA shall notify the requesting institution of its actions. Following notification of the requesting institution, the FCA will notify all System banks and associations of its determination on the proposed service by booklet or other means. If a service is not authorized, the reasons for denial will be included in the notifications to the System and the requesting institution.

(c) *Previously authorized services.* (1) For related services that have been authorized by the FCA, any System bank
